Contractor certifies that it has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.

20. Expendable Equipment

Expendable equipment is defined as expendable items which change with use and have a unit acquisition cost of less than \$5,000 per unit (i.e. fax machines, computers, printers, etc.). Title to any expendable equipment purchased or built with State funds as part of this agreement will vest in the State. The Contractor must retain a listing of expendable equipment purchases that are considered "theft-sensitive" items, such as cameras, calculators, two-way radios, computer equipment, etc., for audit purposes. Upon completion or termination of the agreement, Contractors are required to leave all expendable equipment for use by subsequent contractors or for the State to dispose of accordingly. The State may authorize the continued use of such equipment for work to be performed under a different agreement.

The cost of expendable equipment purchased should be comparable to the prevailing price for similar items in the surrounding area.

21. Electronic Waste Recycling

The Contractor certifies that it complies with the requirements of the Electronic Waste Recycling Act of 2003, Chapter 8.5, Part 3 of Division 30, commencing with Section 42460 of the Public Resources Code, relating to hazardous and solid waste. Contractor shall maintain documentation and provide reasonable access to its records and documents that evidence compliance.

22. Liability for Loss and Damages

Any damages by the Contractor to the State's facility including equipment, furniture, materials or other State property, will be repaired or replaced by the Contractor to the satisfaction of the State at no cost to the State. The State may, at its option, repair any such damage and deduct the cost thereof from any sum due Contractor under this Agreement.

23. Disclosure

Neither the State nor any State employee will be liable to the Contractor or its staff for injuries inflicted by inmates or parolees of the State. The State agrees to disclose to the

Contractor any statement(s) known made by any inmate or parolee which indicate violence may result in any specific situation, and the same responsibility will be shared by the Contractor in disclosing such statement(s) to the State.

24. Workers' Compensation

Contractor hereby represents and warrants that Contractor is currently and shall, for the duration of this agreement, carry workers' compensation insurance, at Contractor's expense, or that it is self-insured through a policy acceptable to CDCR, for all of its employees who will be engaged in the performance of this agreement. Such coverage will be a condition of CDCR's obligation to pay for services provided under this agreement.

Prior to approval of this agreement and before performing any work, Contractor shall furnish to the State evidence of valid workers' compensation coverage. Contractor agrees that the workers' compensation insurance shall be in effect at all times during the term of this agreement. In the event said insurance coverage expires or is canceled at any time during the term of this agreement, Contractor agrees to give at least thirty (30) days prior notice to CDCR before said expiration date or immediate notice of cancellation. Evidence of coverage shall not be for less than the remainder of the term of the agreement or for a period of not less than one year. The State reserves the right to verify the Contractor's evidence of coverage. In the event the Contractor fails to keep workers' compensation insurance coverage in effect at all times, the State reserves the right to terminate this agreement and seek any other remedies afforded by the laws of this State.

Contractor also agrees to indemnify, defend and save harmless the State, its officers, agents and employees from any and all of Contractor's workers' compensation claims and losses by Contractor's officers, agents and employees related to the performance of this agreement.

25. Insurance Requirements

Insurance as required herein shall be a condition of the State's obligation to pay for services provided under this Agreement. Prior to approval of this Agreement and before performing any work, Contractor and any subcontractor shall furnish to the State evidence of valid coverage. The following shall be considered evidence of coverage: A certificate of insurance, a "true and certified" copy of the policy, or any other proof of coverage issued by Contractor's insurance carrier. Binders are not acceptable as evidence of coverage. Providing evidence of coverage to the State conveys no rights or privileges to the State, nor does it insure any State employee or insure any premises owned, leased, used by or otherwise or under the control of the State. It does, however, serve to provide the State with proof that the Contractor and any subcontractors are insured at the minimum levels required by the State of California.

Contractor agrees that any liability insurance required in the performance of this Agreement shall be in effect at all times during the term of this Agreement. In the event said insurance coverage expires or is canceled during the term of this Agreement, Contractor shall provide the State within five (5) business days of receipt by contractor a copy of any notice of cancellation or non-renewal of insurance required by the contract. Evidence of coverage required in the performance of this Agreement shall not be for less than the remainder of the term of this Agreement or for a period of not less than one year. The State and the Department of General Services (DGS) reserve the right to verify the Contractor's evidence

of coverage; evidence of coverage is subject to the approval of the DGS. In the event the Contractor fails to keep insurance coverage as required herein in effect at all times, the State reserves the right to terminate this Agreement and to seek any other remedies afforded by the laws of the State of California.

Contractor hereby represents and warrants they (and any subcontractors) are currently and shall for the duration of this Agreement be insured. Contractor shall provide proof of self-insurance against:

Commercial General Liability - \$1,000,000 per occurrence for bodily injury and property damage liability combined.

26. Tuberculosis (TB) Testing

Regular basis is defined as having contact with inmates/parolees in confined quarters more than once a week.

Contractors and their employees shall be required to furnish to CDCR, at no cost to CDCR, a form CDCR 7336, "Employee Tuberculin Skin Test (TST) and Evaluation," prior to assuming their contracted duties and annually thereafter, showing that the Contractor and their employees have been examined and found free of TB in an infectious stage. The form CDCR 7336 will be provided by CDCR upon Contractor's request.
